P. S. DAIMA & SONS

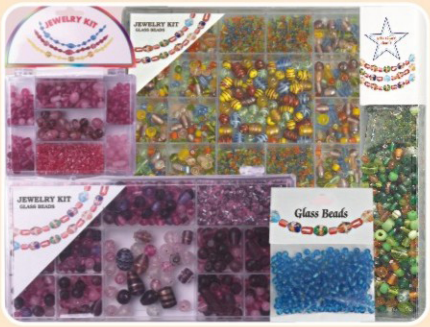
100% EXPORT ORIENT UNIT

CERTIFIED COMPANY ISO 9001:2000

BEST EXPORT ORIENT UNIT

ISO 14001

PRODUCT CATALOG # 1



Profile

OUR COMMITMENT

We are Indian manufacturer, supplier and exporter of a wider range of leather cords, photo frames, flowers, buttons, toggles, bead kits and beads. We supply our products in over 40 countries across the globe. We have become the largest exporter of leather and leather products and received the EPCES Export award by Shri Kamal Nath, Hon'ble Union Minister of Commerce and Industry for 2005-06 for best Export orient unit (SSI) in leather and leather products. With over 28 years of serving the industries, you can always depend on us to provide you with a best possible quality at the lowest possible prices. We guarantee 100% satisfaction on all our products and fast, friendly services to our valued customers.

MANUFACTURING

Our factory is located amidst a sprawling area of 160,000 square feet and is perfectly positioned to produce quality products. Our leather production unit has spiral cutting machines, skiving machines, rounding machines, coloring machines, braiding machines and laser machines, most of which are imported from Europe and U.S.A. Our bead production unit has sand cleaning machines, drum polishing machines, fire polishing machines and luster/rainbow finish machine. We use most of the chemicals made by the multinational companies and many of them are imported from Europe.

QUALITY

We are an ISO 9001 : 2000 certified company. To ensure high quality, we have a multiple-pronged; three stage quality checking system for our products - Receiving stage, In process stage and Final stage. Products are checked to ensure the desired dimensions, design, softness, color fastness and packaging requirement.

ENVIRONMENT FRIENDLY

We are a 14001 : 2004 certified company. Our products are produced in environmentally friendly conditions. Our leather products are eco friendly, bio degrable, non toxic, lead under 600 ppm, low formaldehyde, P.C.P free, azo free and it meets the German good ordinance effective from April 1, 1996, August 2001 and 2002/95/EC .Our beads are nickel free and lead under 600 ppm.

PACKAGING

We gain an edge over our competitors through excellence in custom packaging. We offer customized packaging solutions to our customers based on their existing logistics plan in order to reduce their logistics costs.

Our blister packaging is conducted in house, which facilitates us in preparing blisters in any size and in any design. We also offer header packaging, card packaging, polybag packaging, strand packaging, reel packaging, hanks packaging and crystal box packaging to our customers as per their requirement.

Our packaging services include creating the packaging, labeling the product, assembling & packing the product and shipping it out. In short, we are equipped to undertake the complete packaging activities for our customers.

CUSTOMIZATION

We invite you to explore our new product catalogue which has wide range of products. If you don't see the specific product you require, we can tailor-make it for you. Customers can specify their customized requirements and we can accordingly produce the required type of leather, beads, bead kits and other products.
