QUALITY

We are an ISO 9001, REACH certified company. To ensure high quality, we have a multiple-pronged; three stage quality checking system for our products - Receiving stage, In process stage and Final stage. Products are checked to ensure the desired dimensions, design, softness, color fastness and packaging requirement.

ENVIRONMENT FRIENDLY

We are a 14001 certified company. Our products are produced in environmentally friendly conditions. Our leather products are eco friendly, bio degrable, non toxic, lead under 600 ppm, low formaldehyde, P.C.P free, azo free and it meets the German good ordinance effective from April 1, 1996, August 2001 and 2002/95/EC .Our beads are nickel free and lead under 600 ppm.

PACKAGING

We gain an edge over our competitors through excellence in custom packaging. We offer customized packaging solutions to our customers based on their existing logistics plan in order to reduce their logistics costs.

Our blister packaging is conducted in house, which facilitates us in preparing blisters in any size and in any design. We also offer header packaging, card packaging, polybag packaging, strand packaging, reel packaging, hanks packaging and crystal box packaging to our customers as per their requirement.

Our packaging services include creating the packaging, labeling the product, assembling & packing the product and shipping it out. In short, we are equipped to undertake the complete packaging activities for our customers.

CUSTOMIZATION

We invite you to explore our new product catalogue which has wide range of products. If you don't see the specific product you require, we can tailor-make it for you. Customers can specify their customized requirements and we can accordingly produce the required type of leather, beads, bead kits and other products.
